Legislative Counsel’s Digest:

Existing law authorizes the governing body of a city whose population is 220,000 or more in a county whose population is 100,000 or more but less than 700,000 (currently only the City of Reno) by ordinance to create a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment. Existing law requires that such an ordinance be approved by a two-thirds majority of the members of the governing body. Existing law also requires that the ordinance impose a surcharge of \$2 on the per night charge for the rental of a room in a hotel in the district that holds a nonrestricted gaming license and provides that the proceeds of the surcharge must be used by the city solely to pay the cost of improving and maintaining publicly owned facilities for tourism and entertainment in the district or within 1 mile outside the boundaries of the district, except for a minor league baseball stadium. (NRS 268.798)

Section 1.3 of this bill imposes, in a city that has created a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment, a surcharge of \$2 on the per night charge for the rental of a room in a hotel in the district, other than a hotel that holds a nonrestricted gaming license. **Section 1.5** of this bill imposes, in a city that has created such a district, an additional surcharge of \$1 on the per night charge for the rental of a

room in a hotel in the district that holds a nonrestricted gaming license. **Sections 1.3 and 1.5** require the county fair and recreation board to collect the surcharges and expend the money only for the purposes authorized by **section 4.5** of this bill.

In any county in which is located a city that has created a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment, **section 4** of this bill creates a district for the promotion of tourism in the region. **Section 4** also requires the board of county commissioners to adopt an ordinance prescribing the boundaries of the district, which must include within its boundaries all property: (1) which is located in the county and located in any city in the county other than property that is located within a district created by a city to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment; and (2) which is located not more than 20 miles from the boundaries of any such district created by a city. **Section 4** imposes a \$2 surcharge on the per night charge for the rental of a room in a hotel in the district and requires the county fair and recreation board to collect the surcharge and expend the money only for the purposes authorized by **section 4.5**.

Section 4.5 requires a county fair and recreation board that collects any money from the surcharge imposed by **section 1.3, 1.5 or 4** to create an account into which all such money must be deposited. **Section 4.5** authorizes the board to expend the money to implement a strategic plan for the promotion of tourism in the region. **Section 4.5** also requires the board, every 5 years, to prepare and submit to the Legislature a report concerning the expenditure by the board of any money received from the surcharge imposed by **sections 1.3, 1.5 and 4**.
