### E. PRESENTATIONS - DISCUSSION AND POSSIBLE ACTION

### E1. Appointment of Board Member Pursuant to NRS 244A.601(1)(d)(3)

Legal Counsel Ben Kennedy shared with the Board that Mr. Bill Woods' initial two-year terms expires the end of January and he is eligible for reappointment for an additional two-year term. Ms. Heather Bacon, Incline Village Crystal Bay Visitors Bureau, nominated Mr. Woods for reappointment and also Mr. Andy Chapman, current President/CEO of Incline Village Crystal Bay Visitor's Bureau, for consideration. The item was open for discussion by the entire Board, but could only be voted upon by the elected officials.

<u>Discussion</u>: Chairman Bob Lucey and Member Rick Murdock commented that Mr. Wood has served the Board well, brings a lot to the table and is very good for Reno Tahoe relations.

<u>MOTION</u>: Councilman Ed Lawson made a motion to reappoint Mr. Bill Wood to the RSCVA Board of Directors for a second term. Seconded by Commissioner Bob Lucey. <u>Motion carried unanimously by majority</u> vote. Mayor Hillary Schieve was absent.

### E3. Reno-Sparks Convention and Visitors Authority Staff Updates

President/CEO Phil DeLone welcomed Shannon Keel to the meeting. She is the recently appointed General Manager of the Grand Sierra Resort. Mr. DeLone said in preparation for the 2019 Legislative Session, three (3) qualified candidates submitted proposals in response to the RFP for governmental affairs: McDonald Carano; Steven Polikalas Law Corporation, and Fennemore Craig. Staff is recommending Fennemore Craig. In response to the RFP for the RSCC Feasibility Study, six (6) firms submitted proposals in alphabetical order: Crossroads Consulting; Conventions, Sports & Leisure; Hunden Strategic Partners; HVS; JLL; and Johnson Consulting. Staff is recommending Johnson Consulting, headquartered in Chicago, as they are familiar with the Reno market having worked for the City of Reno on an operational review of the National Bowling Stadium. They have also worked for the Las Vegas Convention and Visitors Authority and other large convention destinations. Their proposal for the work will be accomplished within fourteen (14) weeks and within a budget of \$100,000. In response to the RFP for Professional Management, four (4) national firms responded and three (3) toured all the RSCVA facilities. The review committee, which included the City of Reno and City Manager, Sabra Newby, and Legal Counsel Ben Kennedy, will meet on January 29th and report back to the Board. Wildcreek Golf Course has no further news to report at this time. Legal Counsel has been crafting the appropriate agreements with Washoe County and the School District and it is moving forward. Work continues on the RSCC with the designer, TVS, and the RFP has been sent out to manufacturers of carpet. No delays in the re-carpeting of the RSCC are anticipated and it should be done by August 1st. Bid specs and design on the refurbishment of the RSCC restrooms are also forming.

Executive Vice President Jennifer Cunningham provided a marketing update. Ms. Cunningham pointed out the Corporate Scorecard shows visitor volume up 6.6% year to date, cash occupied rooms and overall occupancy as of the end of November year-to-date are up 6.0%, and taxable revenue is up 15% which is the result of ADR going up 7.6%. The November ADR is a historic high of \$106.51. Airlift is at 10% growth year-over-year as well, which is also a record number. TEDx is a sold-out event for the RSCC - a group effort with the University.

Vice President of Sales Mike Larragueta reported an update on both tourism and convention sales for November 2017 and detailed the November month-to-date scorecard sales. PHG, the contracted representative for the China-inbound product, has signed the contract and provided their 90-day implementation plan. February 27<sup>th</sup> through March 3<sup>rd</sup>, four (4) of the PHG representatives, three (3) of which are from Beijing, Shanghai and Guangzhou will be in Reno touring the entire city, Virginia City, Carson City, and North Lake Tahoe to familiarize themselves with the RSCVA and stakeholder's properties. Mr. Larragueta also announced the hiring of a Regional Director of Conventional Sales in Chicago, Ms. Mattie Metcalf.

Director of Finance Robert Chisel said the calendar year is still in the process of being closed out and eleven (11) homeowners have yet to file. Taxable revenue was just short of \$41 million at \$40,988,000 which is a 12.3% increase. ADR for the calendar year was \$100.10 a 6.6% increase, the first time it has been over \$100 in a calendar year.

**E4.** Board Review and Approval of Bid Award and Contract for RFP 2018-02 to Johnson Consulting for a Feasibility Study on Expansion of the Reno-Sparks Convention Center (RSCC)

Phil DeLone had nothing more to add to his recommendation of Johnson Consulting except to say that their references checked out as a reputable company, they have been in business a long time, and are fully suited to conduct the feasibility study. Most importantly, they can accomplish the work in 14 weeks.

<u>Discussion</u>: Vice Chairman Ed Lawson asked if the RSCVA moving into the Convention Center was part of the Feasibility Study. Mr. DeLone replied it the eventual intent, but will come down to cost. Mr. Chisel added that a recent meeting with the landlord at the Reno Town Mall renewed the lease to 2022, but anything more will be based on the Convention Center expansion and timing. Mr. Lawson encouraged the move so clients see the location they will be renting and RSCVA employees will be onsite daily to see what they are selling to witness ongoing conventions. Mr. Chisel said the RSCVA currently rents 15,000 square feet at the Reno Town Mall for approximately \$.95/square feet a month.

**MOTION:** Member Nat Carasali made a motion to approve the bid award and contract for RFP 2018-02 to Johnson Consulting for a Feasibility Study on the expansion of the Reno-Sparks Convention Center (RSCC) in the amount of Eighty-Eight Thousand Dollars (\$88,000.00). Seconded by Member Vick Wowo. **Motion** carried unanimously.

E5. Board Review and Approval of Bid Award and Contract for RFP 2018-03 to Fennemore Craig, P.C. for Government Affairs Representation for the Reno-Sparks Convention & Visitors Authority Attorney Jesse Wadhams with Fennemore Craig thanked the Board for the opportunity to present the bid and their goals for the upcoming 2019 Legislative Session. Chairman Lucey commented that the last legislative session was more than the anticipated observation session, so the Board is looking forward to establishing a Legislative Platform going into the upcoming session and not making decisions on the fly. He added that he appreciated the reputation of Fennemore Craig.

**MOTION:** Member Vick Wowo made a motion to approve the bid award and contract for RFP 2018-03 to Fennemore Craig, P.C. for Government Affairs Representation for the Reno-Sparks Convention and Visitors Authority (RSCVA) through the end of the 2019 Legislative Session, for a total amount of Sixty-Two Thousand Five Hundred Dollars (\$62,500.00). Seconded by Member Rick Murdock. **Motion carried unanimously.** 

### F. FINANCE DIVISION

### F1. <u>Discussion and Potential Approval of the Reno-Sparks Convention & Visitors' Authority's (RSCVA's) Investment Policy</u>

Director of Finance Robert Chisel said this was an updated investment policy that had not been updated for a number of years. It designates how the RSCVA invests its idle cash that is not needed for operations in accordance with the Government Finance Officers Associations and the Nevada Revised Statutes. The RSCVA believes with a small 25-basis-point increase revenue could be increased by \$70,000 to \$100,000 a year.

**MOTION:** Vice Chairman Ed Lawson made a motion to approve the Reno-Sparks Convention and Visitors Authority's Investment Policy as set forth by staff. Seconded by Member Lee Dillard. **Motion carried unanimously.** 

**F2.** Discussion and Potential Authorization for the Director of Finance to Retrieve and Claim All Unclaimed Property in the Name of the Reno-Sparks Convention & Visitors Authority (RSCVA)

Director of Finance Robert Chisel said occasionally all governments and companies are required to claim unclaimed property escheated to the state. For the RSCVA to retrieve that money, the State Treasurer requires a Board-approved representative. It is estimated the amount is about \$5,000 to \$6,000. This would also enable the RSCVA appointed representative to search other local governments and state agencies for any other unclaimed property belonging to the RSCVA.

**MOTION:** Vice Chairman Ed Lawson made a motion to authorize the Director of Finance to retrieve and claim all unclaimed property and monies in the name of the Reno-Sparks Convention and Visitors Authority (RSCVA) from both local governments and state agencies and that this become the permanent policy of the RSCVA. Seconded by Member Lee Dillard. **Motion carried unanimously.** 

### G. SALES AND MARKETING

### G1. 2018 Special Event Partnership Funding

Special Events & Marketing Manager Nina Brown summarized the recommendations for the 2018 Special Event Partnership Funding. Ms. Brown explained that \$500,000 is available as a pre-allocated budget. For 2018 calendar year funding, 29 events applied and were evaluated by a 7-person panel consisting of RSCVA managers and executive staff. Distribution recommendation were based on a qualitative rather than quantitative analysis as outlined in the report. Qualification guidelines and analysis considerations are also available on the RSCVA website. After review and vetting all applicants, the panel recommended allocating \$481,500 to 25 different events and retaining \$18,500 in contingency funds for new events that may arise

throughout the year. Upon Board approval, each event will receive a funding contract outlining the terms and conditions of the partnership. Ms. Brown answered a question regarding videos and said a clause has been added to the funding contract, as well as the website, stating that an event cannot do anything to disparage RSCVA branding, must be in good taste and positively highlight the destination. To answer the question regarding the marketing and awareness of this program, Ms. Brown said five notices were emailed to events and the program is also published on the website. In addition, funding notices were emailed to other government agencies and lodging properties to share with their affiliated events. Events are awarded 50% of their funding upon signing the contract of the terms and conditions. The remainder of their funding is paid after the event is done and a post-event synopsis and proof of fulfillment of all RSCVA sponsorship amenities are provided. If an event cancels, their funding award is rolled into contingency funds. The Partnership Funding Program is designed as a marketing opportunity. Funds augment an event's ability to expand their marketing and promotional efforts that otherwise would not be possible without funding. In broadening their marketing, potentially more visitors might visit the destination, which is the goal. Event requests are limited in two ways: 1) they cannot ask for more than 25% of their cash operating budget and 2) what they request has to equate to how they want to use the money in marketing.

**MOTION:** Member Rick Murdock made a motion to approve the funding allocation recommendations for the 2018 Special Events Funding and approve the Distribution of Funds requested by the Marketing Department. Seconded by Member Vick Wowo. **Motion carried unanimously.** 

### G2. Convention and Tourism Sales Update

Item skipped by Chairman Lucey per Agenda revision. This item was covered in Item E3.

### G3. Bid to Host USA Volleyball's Boy's Nationals

Director of Sports Development Shelli Fine said with respect to the Executive Summary for the USA Volleyball's Boy's Nationals for 2020, the event is scheduled for June 24 through July 5, 2020. The RSCVA has hosted this event back in 2013. In 2013 it actualized just under 17,000 room nights. The Collegiate Nationals, another USA Volleyball event, was hosted here in 2014, and actualized about 9,000 room nights. Reno Tahoe has also hosted a couple pre-Olympic qualifiers called the World League, which are very high profile, both in 2013 and 2015. Cities that competed for 2020 USA Volleyball's Boy's Nationals included: Anaheim, Dallas, Minneapolis, Milwaukee, and Columbus. It is anticipated this event will actualize approximately 20,000 room nights in 2020. All major hotels and a handful of select service hotels have submitted their proposed room block and concession packages to the USA Volleyball and those packages have been vetted and tentatively approved by the USA Volleyball upon approval of the RSCVA's bid packet. USA Volleyball also institutes a very strict stay-to-play policy. Essentially that means participants cannot compete in the event unless they book in one of the contracted hotels. This ensures a very accurate auditing process. In an effort to secure the rights to host this event, the RSCVA is requesting to fund a cash sponsorship of \$100,000. In addition, the RSCVA is requesting to fund an official shuttle program for the week of the event not to exceed \$35,000. There will be a performance clause associated with the contractual agreement with USA Volleyball that will mirror the performance clause enacted by legal and Robert Chisel for the Interbike contract. The RSCVA is also collecting a \$12 confidential subsidy from all the hoteliers which should total approximately \$200,000-\$240,000 to be applied against facility rental. Staff is recommending the Board approve the funding package to host the USA Volleyball's Boy's Nationals in June of 2020 in an amount not to exceed \$135,000.

<u>Discussion:</u> Member Lee Dillard asked what sold this location to them. Ms. Fine said a couple of items: 1) The RSCVA's success in 2013 and 2014; 2) The ongoing relationship with USA Volleyball over the years; 3) Hosting the pre-qualifying Olympic events went a long way. It essentially saved them to some degree for the 2015 event; and 4) They are required to geographically move around and must come back to the West Coast. Member Rick Murdock said the dates and timing could not be better. Ms. Fine responded to Chairman's Lucey question about back-to-back event bookings. Their governing bodies require that in an effort to be fair, USA Volleyball has to hosted coast to coast. Girl's Nationals will be circling back around and the region will have another chance at it again. That event is more to the tune of 50,000 room nights. The next opportunity for Boy's Nationals would be 2023 or 2024. Member Vick Wowo asked if there would be a housing authority in charge of the auditing the stay-to-play for the players to ensure it was happening and if they would be receiving some type of rebate. Ms. Fine said yes, there is a 10% commission paid to a firm named Team Travel Source and there is a \$17 rebate paid back to USA Volleyball.

**MOTION:** Member Nat Carasali made a motion to approve to move forward with a Letter of Intent to host USA Volleyball's Boy's Nationals over the dates of June 24 through July 5, 2020 for 20,000 room nights. The bid is to include a sponsorship component on the part of the RSCVA in an amount not to exceed \$135,000. Seconded by Member Vick Wowo. **Motion carried unanimously**.

### H. HUMAN RESOURCES

### H1. Proposed Revision to RSCVA HR Holiday Policy

Director of Human Resources Sheri Nill said some time ago, the RSCVA went away from observing Veteran's Day in lieu of a floating holiday. Staff is recommending elimination of the floating holiday and reinstatement of Veteran's Day in recognition of the sacrifices made by our military personnel. This will have no financial impact on the RSCVA.

**MOTION:** Member Lee Dillard made a motion that beginning 2018, the RSCVA reinstate the observation of Veteran's Day in recognition of our military personnel in lieu of the current Floating Holiday provided to RSCVA employees. Seconded by Member Mark Sterbens. **Motion carried unanimously.** 

### H2. Proposed Revision to RSCVA HR Retirement Policy 600.605

Director of Human Resources Sheri Nill said in the RSCVA's retirement policy there is language that they had some concern about. If an employee is with the RSCVA for five (5) years or more, there are certain benefits they are allotted. Should an employee with five (5) or more years lose their position due to layoff, the RSCVA would like to exclude the language in the existing policy that restricts them from working for ninety (90) days if they choose to exercise the right to retire from the RSCVA to ensure those benefits are granted after five (5) years of service. The goal of the RSCVA is to ensure that if for instance they retired on a Friday from the RSCVA, they would have their benefits in place and be able to work on Monday, making sure the RSCVA is providing a seamless transition for those individuals with five (5) or more years of service that are retiring rather than layoff.

Discussion: Chairman Lucey asked with respect to this policy, being that Nevada is a right-to-work state, could the RSCVA even draft a policy for an individual preventing them from working for 90-day period anywhere. Legal Counsel Molly Rezac clarified that Nevada is an "at will" state meaning that a person is employed at the will of the employer and the employee, which is very different. This policy is not saying somebody would not work for ninety (90) days under any retirement policy. It says that in order to obtain these additional benefits, because the RSCVA is an "at will" employer, the RSCVA is not required to provide any benefits when somebody ceases employment via layoff, via retirement, or whatever the case may be. The RSCVA is not required to provide those benefits. The standard definition of retiring is that you are seeking to stop working and there are certain benefits obtained from that. However, there was some concern that the ninety (90) day provision of time requirement to stop working, when an employee may be losing their position through no fault of their own through a layoff, for those long-term employees who have looked toward certain benefits, may choose to retire now so they can maintain those benefits, and the RSCVA would lose the ability to keep them employed while this Board makes certain decisions regarding that. Staff is making a recommendation for instances when people may be losing their job due to layoff, to simply waive the requirement of the ninety (90) days. If somebody, instead, separate from the RSCVA for a completely different type of situation, they would be subject to the standard retirement requirements. They would retire, go through PERS, and cease working for the ninety (90) days.

**MOTION:** Member Nat Carasali made a motion to revise the RSCVA Retirement Policy 600.605 for employees that are notified they will be laid off, have worked at least five (5) years for the RSCVA and their position is eliminated to allow those employees to choose to retire rather than be laid off, but not be required to cease work for the ninety (90) days. Seconded by Member Rick Murdock. **Motion carried unanimously.** 

### H3. Proposed Revision to RSCVA HR Layoff and Recall Policy 900.903

Director of Human Resources Sheri Nill said with respect to the layoff and recall policy there is currently a practice that if an employee has had service with the RSCVA for fifteen (15) or more years, they can take one-third (1/3) or up to three hundred (300) sick hours when they leave or are laid off. This was not included in the formal RSCVA policy and simply needs to be corrected.

**MOTION:** Member Rick Murdock made a motion to revise the RSCVA HR Layoff and Recall Policy to include language reflecting the long-standing practice of the RSCVA to pay out a portion of unused sick leave (up to a maximum of three hundred (300) hours) when the employee with at least fifteen (15) years of service to the RSCVA is laid off due to lack of work, reorganization, etc. as set forth in the Employee Handbook. Seconded by Member Mark Sterbens. **Motion carried unanimously.** 

### I. BOARD MEMBER COMMENTS REGARDING ITEMS FOR FUTURE MEETINGS

Staff Member Michael Larragueta made an additional comment pertaining to the variance in the November Net Room Nights – Year-to-Date 2016-2017 versus 2017-2018. Mr. Larragueta explained that room nights are a result of when contracts are turned definite so the variance between 2017-2018 and 2016-2017 in Quarter 2 of 2017 happened with Safari Club, which was a multi-year contract, and was a little more than 51,000 contracted room nights driving that variance. Of the 54,000 room-night variance Year-to-Date between 2016-2017 and 2017-2018, Safari Club represented 51,000 of those.

Member Lee Dillard asked if the postponed item regarding the Downtown Business Improvement District Presentation will be brought back to the Board prior to scheduled meetings with the City of Reno. Chairman Lucey assured Mr. Dillard that the presentation will be held at the next Board Meeting on February 22, 2018.

Presentation by RSCVA Staff

To: RSCVA Board of Directors

From: Robert Chisel, Director of Finance

CC: Phil DeLone, President/CEO

Bob Lucey, Board Chair

Date: February 22, 2018

Subject: Recommendation to award Request for Proposal 2018-01 for the

management and operation of the National Bowling Stadium, Reno Events Center, Reno-Sparks Convention Center and Reno-Sparks Livestock Events Center to SMG Worldwide Entertainment and Convention Venue Management for a management fee equal to Two Hundred Thousand Dollars (\$200,000) per year and direction to work with RSCVA Legal Counsel and the Chairman of the Board of Directors to negotiate a final written agreement for the foregoing management services, as well as direction regarding the execution

of the final written agreement.

### **Executive Summary**

A Strategic Priority of the Board adopted Strategic Plan is "Facility Efficiency: Efficiently and effectively operate all RSCVA facilities to support visitor growth and community benefit."

Staff has prepared and issued, with approval from the Board (November 15, 2017), a request for proposal (RFP) for the management and operation of the National Bowling Stadium, the Reno Events Center, the Reno-Sparks Convention Center, and the Reno-Sparks Livestock Events Center.

The RFP process began with the issuance of the RFP on November 17, 2017. The Authority issued the RFP, notified potential bidders, and advertised its issuance in the Reno Gazette-Journal and on the Authority's website. The Authority had three firms participate in the mandatory pre-bid walk through and received two proposals, and all were given full consideration. The proposers were, SMG Worldwide Entertainment and Convention Venue Management (SMG) and Spectra by Comcast Spectacor (Spectra). The Authority established an evaluation committee that independently scored the proposals based upon impartial criteria developed prior to receipt of proposals. Based upon the evaluation, staff recommends awarding a contract to SMG.

### **Background**

Over the past 20 years, the Convention Center and Arena industry has changed dramatically. Historically, Convention Centers and Arenas were managed by local governments as extensions of facilities or parks and recreation boards, as is currently done by the RSCVA.

With the increased demand for quality customer service, up-to-date technology and a full suite of services, event organizers have higher expectations of the venues they select. Convention and event planners are looking for the same levels of service provided by the best convention hotels within the destination package. This is compounded by increasing competition. Professional Management of Convention Centers, Arenas, and Facilities have many benefits, including:

- National affiliation and support: city/authority managed ("self-operated") venues are managing in isolation. Affiliation with a professional management company offers myriad benefits to on-site staff and the venue owner.
- Brand Identity: a stand-alone local team is typically no match for national teams.
- Best practices, systems and procedures built on vast experience ensures asset protection, operational efficiency and five-star customer service.
- Professional Management firms typically provide for employee training programs in customer service, sales techniques, finance, safety, and operational procedures.
- Some management companies have corporate and regional executives in every discipline to support the local team with supervision, guidance and mentoring local staff to achieve maximum performance.
- National sales and marketing programs expand the opportunities and ability of the local sales team and the Convention and Visitors Authority to produce.
- National client relationships and agreements that influence numerous business distribution channels - provide more access to prospective booking opportunities.
- National procurement programs enable our facilities to gain preferential pricing and terms reducing operating costs and improving quality.
- Proven financial systems and controls ensure the fiduciary responsibilities and transparency that are the foundation of public trust.

- Benchmarking of financial and operational, and service performance.
- "From jobs to careers": employees benefit from training, peer networks and mentors at sister venues, career growth opportunities and corporate continuing education programs.
- Authority and Board never lose control. The RSCVA can maintain the same oversight and decision power as with a stand-alone general manager. The RSCVA simply gains an entire company of resources and consulting to help make the best decisions to take our venues from good to great.
- Depending on the management firm selected, some provide expanded relationships and resources through dozens of the industry's most respected leaders.
- Proven results: one need only look at dozens of case studies and talk to peers with other authorities, municipalities, convention and visitor bureaus, end user clients to understand the return on investment on selecting and institutionalizing professional management.

These reasons follow the Strategic Priority of the Board adopted Strategic Plan, which is "Facility Efficiency: Efficiently and effectively operate all RSCVA facilities to support visitor growth and community benefit."

Staff received approval from the Board on November 15, 2017, to issue the RFP for the management and operation of the National Bowling Stadium, the Reno Events Center, the Reno-Sparks Convention Center, and the Reno-Sparks Livestock Events Center.

The RFP process began with the issuance of the RFP on November 17, 2017. The Authority issued the RFP, notified potential bidders, and advertised its issuance in the Reno Gazette-Journal and on the Authority's website.

On December 5, 2017, the Authority had three firms participate in the mandatory pre-bid and walk through of the facilities. On January 10, 2018, the Authority received proposals from SMG and Spectra. The Authority established a six-person evaluation committee composed of members of the Authority (Phil DeLone, Jennifer Cunningham, Mike Larragueta, and Robert Chisel), City of Reno (Sabra Newby), and Washoe County (David Solaro) that independently scored the proposals based upon impartial criteria developed prior to receipt of proposals. The evaluation committee also had the two proposers give a presentation and participate in an interview process on January 22, 2018. Based upon the evaluation, presentations, and references, the evaluation committee unanimously recommended awarding the bid to SMG.

The criteria established for the review and scoring of the proposals was developed prior to receipt of the bids and were as follows:

### **Organizational Chart & Bidder Qualifications**

The proposal outlines qualifications, industry experience, licenses and strengths of the organization. The proposal specifies the strengths of assigned team members as well as their years of prior experience in the particular industry and type of services and facilities.

### **Disclosure of Agreements**

The proposer's statements about agreements that will impact the ability to complete the proposal.

### **Financial Statements**

The proposer's financials demonstrate the strength and ability to meet the requirements of the RFP and complete the proposed terms of an agreement.

### **Client List/History**

The proposal firm's background, client base, and years in business.

### **Sales and Marketing Plan**

The proposal outlines an approach that is tailored based on obtaining an understanding of the RSCVA's activities, market, and competition.

The proposal indicates an approach that is tailored based on the firm's advanced understanding of the RSCVA and the region.

The proposal outlines the firm's processes for ensuring an efficient and effective services.

The proposal showcases the firm's commitment to providing quality.

### **Operations and Management**

The proposal outlines an approach that is tailored based on obtaining an understanding of the organization's activities, operating systems, personnel and special needs.

The proposal indicates an approach that is tailored based on the firm's advanced understanding of the RSCVA.

The proposal outlines the firm's processes for ensuring an efficient and effective services.

The proposal showcases the firm's commitment to providing quality.

The proposal highlights the firms commitment to professional training and staff continuity.

The proposal identifies how the firm will comply with applicable industry reporting regulations, if applicable.

### **Unique Qualifications**

The proposal conveys a positive and confident feeling derived from the firm's business beliefs, communication practices and unique qualifications of which lays the foundation for a trusted relationship.

### **Value Added Services**

The proposal provides a listing of additional value added services the firm provides beyond the services identified in the RFP.

### **Scope and Pricing of the Engagement**

The proposal clearly provides a framework for the scope, timing, steps and resources to complete the engagement. The proposal specifies the price for the management and how it will be billed.

Overall Price - To be calculated among final respondents.

If approved, staff work with RSCVA Legal Counsel and the Chairman of the Board of Directors to negotiate a final written agreement for the foregoing management services, as well as direction regarding the execution of the final written agreement by Phil Delone in his capacity as the President/CEO.

### Fiscal Impact

The fiscal impact to the Authority will vary depending upon the financial activities that will occur in the future. SMG will be paid a base management fee of \$200,000 per year.

The Authority will also investigate Quantitative Financial Incentive based upon the successful improvement in the net operating Profit (Loss), Quantitative Sponsorship Incentive based upon the successful improvement in the revenue obtained for suite rentals, sponsorships, and signage at the Facilities, and a Qualitative Financial Incentive which will be based upon a scorecard of key performance indicators. The implementation of the Quantitative Incentives will only occur upon successful improvement to the financial condition of the Authority and not exceed 32.5% the improvement.

### Recommendation

Staff recommends the Board award Request for Proposal 2018-01 for the management and operation of the National Bowling Stadium, Reno Events Center, Reno-Sparks Convention Center and Reno-Sparks Livestock Events Center to SMG Worldwide Entertainment and Convention Venue Management for a management fee equal to Two Hundred Thousand Dollars (\$200,000) per year and direction to work with RSCVA Legal Counsel and the Chairman of the Board of Directors to negotiate a final written agreement for the foregoing management services, as well as direction regarding the execution of the final written agreement.

Re: Pledge Letter for the Downtown Management Organization (DMO)

### Dear Phil:

As a prominent organization within the city of Reno, you understand the pressing need for the revitalization and reinvestment of our downtown core. In an effort to begin this process, the City hired Progressive Urban Management Associates (P.U.M.A.) to study our downtown and to provide an action plan identifying priorities for improvements. One of the short-term, influential recommendations from that plan called for a private-sector partnership led by a Downtown Management Organization (DMO). The greatest impacts the DMO would have on Reno would be the stabilization of downtown streets and an entity that acts as a champion for downtown revitalization through a unified voice and increased accountability.

However, this approach also requires additional investment by the City and its partners, including the business community, to ensure that enhanced police services can be maintained until the BID has had an opportunity to stabilize. In order to continue these service levels, an additional \$900,000 per year for the next three years needs to be raised.

### We need your help to provide additional funding over the next three years!

Last year the City committed to contributing an additional \$500,000 which was not required by Nevada Revised Statutes. Going forward, staff is committed to continue recommending approval of at least \$500,000 per year for another two years to help with the successful implementation of the BID. At this time, we are asking partner organizations to provide us with a pledge letter stating the value of your donation annually for the next three years. Thank you in advance for your support! Your donation is greatly appreciated and will be used to support the successful implementation of the BID.

Sincerely,

Sabra Newby City Manager

### PLEDGE FOR THE DOWNTOWN MAINTENANCE ORGANIZATION

### Dear Reno City Council:

To reaffirm the City of Reno's strategic priority of a "Thriving Downtown and University District" and goal to "Create an environment that attracts residents, students, businesses, and visitors," I/we hereby agree to donate a yearly contribution for the next three years to the City of Reno for the Downtown Management Organization. This gift shall be used to help create and support the Business Improvement District (BID) and Downtown Management Organization (DMO) as established through Resolution by the Council. This gift will be help the City and its partners to maintain enhanced police services until the BID has had an opportunity to stabilize. We understand that generally donations to the City of Reno Account are not tax deductible.

## AWARD OF RFP FOR CARPET INSTALLATION

### RENO-SPARKS CONVENTION CENTER

Presentation by RSCVA Staff

To: RSCVA Board of Directors

From: Robert Chisel, Director of Finance

CC: Phil DeLone, President/CEO

Bob Lucey, Board Chair

Date: February 22, 2018

Subject: Board review and approval of bid award and contract for RFP 2018-

04 to Shaw Consulting for the design and procurement of carpet for the Reno-Sparks Convention Center in the amount of \$734,335.52

### **Executive Summary**

Staff issued Request for Proposal (RFP) 2018-04 on January 17, 2018. As part of the approved capital project improvements to the Reno-Sparks Convention Center is the replacement of the carpet. RFP 2018-04 is for the design and procurement of the carpet. Staff recommends awarding a contract to Shaw Contract.

### **Background**

On January 17, 2018, the Authority issued RFP 2018-04 seeking proposals for carpet design, procurement, and installation at the Reno-Sparks Convention Center.

The Authority issued the RFP and advertised its issuance in the Reno Gazette-Journal and on the Authority's website. The Authority received three proposal and all were given full consideration. The proposers were, Shaw Contract, Durkan/Mohawk, and Tandus Centiva. The Authority utilized our outside Architectural firm, TSK Architectures, and staff to analyze the bids and based upon the evaluation, staff recommends awarding a contract to Shaw Contract, as the lowest responsible bidder for the option of carpet tile in all area of the Reno-Sparks Convention Center and broadloom in the Ballroom of the Reno-Sparks Convention Center, for total square yards of 30,934. The bid was for \$734,335.52, delivered.

With the award of the contract, staff with our external architect (TSK Architects) to develop the final design of the carpet with the installation to be completed by August 1, 2018.

### Fiscal Impact

The cost of the carpet is \$734,335.52, funding for the contract has been budgeted in the capital improvement budget for Fiscal Year 2017/18. Staff will be proceeding with a bid for the installation of the carpet in accordance with Nevada Revised Statutes.

### Recommendation

Staff recommends award of the bid for carpet design, and procurement for the Reno-Sparks Convention Center, RFP 2018-04, to Shaw Contract for a total amount of \$734,335.52.

# APPROVAL OF ONSTRATEGY'S STRATEGIC PERFORMANCE SCOPE OF WORK FOR FY 18/19

Presentation by RSCVA Staff

To: RSCVA Board of Directors

From: Phil DeLone, President/CEO

Date: February 22, 2018

Subject: Review, Discussion and Possible Action regarding Proposal for

Strategic Performance Management and 2017 Visitor Origination

**Analysis** 

### **Executive Summary**

Staff is seeking approval of the continuance of work provided by OnStrategy to provide dedicated consulting services to support an effective strategy implementation management process. The "Scope of Work" covers the fiscal year 2018/19.

### **Background**

In December 2015 OnStrategy was contracted to develop a five-year Strategic Plan for the RSCVA. This plan was developed with direction and input from the Board of Directors, Stakeholders and staff. The RSCVA is in the second year of the plan. OnStrategy has been instrumental with ensuring the Strategic Plan is followed and timely reporting back to the board occurs.

The Visitor Origination Analysis (VOA) was first conducted utilizing 2015 customer data from the major Washoe County lodging properties. This report provides the RSCVA and participating properties with information on origin of visitors to the destination, the effectiveness of the Agency's marketing expenditures and the hotel properties effectiveness in a market. The VOA has been embraced and supported by the properties.

### Fiscal Impact

Total Contract not to exceed \$127,000 in fiscal year 2018/19. This will be a budgeted item.

### **Recommendation**

Staff recommends the Board authorize the continuance of work provided by OnStrategy under the terms of the proposed scope of work for fiscal year 2018/19 attached hereto.

### FY18/19 STRATEGIC PERFORMANCE MANAGEMENT & 2017 VOA

Submitted January 16, 2018

Visitor Origination Analysis – 10+ Hotel Property Reports @ \$2,000/per property report
 Activities to develop the base VOA are included in management activities. This line item covers just the one-time activity of producing confidential property reports and VOA meetings with each property.

### SCOPE OF WORK DETAIL

### Monthly Performance Management (July 2018 – June 2019)

To maintain the agility and relevancy of the plan from a data perspective, OnStrategy will support the executive team to manage their teams against the Strategic Plan metrics on a monthly basis, including:

### **Executive Team and Board Monthly Scorecard Updates**

OnStrategy will manage the process for the executive team to update their Corporate and Departmental Scorecards on a monthly basis.

### **Dashboard Reporting**

OnStrategy will provide dynamic dashboard reporting, updated on a monthly basis for the Board.

### **Quarterly Strategy Reviews (November 2018, February 2019, May 2019)**

Quarterly Business Reviews (QBR) are another key element of the strategic management process. OnStrategy will work with the RSCVA Board and executive team to facilitate Quarterly Business Reviews and while doing so, provide training to establish a process to monitor the strategic plan progress, measure performance and adapt the plan when necessary. More specifically, OnStrategy will focus on the following activities:

- Quarterly Strategy Presentations OnStrategy will work with the RSCVA Executive Teams to prepare
  Quarterly Board Strategy Review Presentations for three quarters (November 2018, February 2019, May
  2019).
- Identify and Discuss Strategic Issues OnStrategy will work with the executive team in advance of the meeting to determine any strategic issues that need Board discussion and/or direction, as it relates to the Strategic Plan.
- **Update the Strategic Plan** OnStrategy will work with the executive team to determine proposed adaptations to the plan, to be brought to the Board for approval.
