

THE RENO-SPARKS CONVENTION & VISITORS AUTHORITY

The Reno-Sparks Convention & Visitors Authority ("RSCVA") was established in 1959 as the Washoe County Fair and Recreation Board. The RSCVA acts as a marketing organization for the county to promote conventions, tourism, and outdoor recreation.

Unlike many other convention and visitor bureaus across the country, the RSCVA owns and operates several facilities designed to draw out-of-town visitors, as well as administers the collection and enforcement of Transient Lodging Taxes and various related Surcharges in Washoe County.

NRS 244A.645, 244.335 (7) and 268.095 (7) permit the county and cities to delegate authority to collect, enforce and administer the Transient Lodging Tax and certain Surcharges to the county fair and recreation board if it so desires.

Washoe County, City of Reno, and City of Sparks delegated this authority to the RSCVA to collect the Transient Lodging Tax and certain Surcharges on their behalf. They also authorized and empowered the RSCVA to prescribe, adopt and enforce rules and Regulations relating to the administration and enforcement of the Transient Lodging Tax codes [WCC Section 25, RMC Title III, Section 2, and SMC Chapter 3.04]. Additionally, SB 312 ("SB 312") enacted by the 2015 Nevada Legislature (and not yet codified as of the date of these Regulations) imposes a tourism Surcharge in parts of Washoe County and mandates that such Surcharge be administered and collected by the county fair and recreation board. SB 312 likewise empowers the RSCVA to prescribe, adopt and enforce rules and Regulations relating to the administration and enforcement of the tourism Surcharge. It is the intention of the RSCVA that the various mandated Surcharges be collected and administered along with and in the same manner as the Transient Lodging Tax.

The RSCVA makes every effort to advise Operators of proposed and actual changes in Transient Lodging Tax and Surcharge rates, however **OPERATORS ARE SOLELY RESPONSIBLE FOR REMAINING INFORMED OF TRANSIENT LODGING TAX RATE AND SURCHARGE CHANGES AS THEY OCCUR.**

- 3.1. **Tax Districts and Rates.** As of October 2015, the following Transient Lodging Tax districts and rates are in effect:

<u>Tax District</u>	<u>Location</u>

<u>Tax District</u>	<u>Tax Rate</u>

All other Operators located in the Downtown Surcharge District that do not hold a non-restricted gaming license and that are classified as a "hotel" as defined SB 312, shall impose a \$2.00 per night Surcharge on the per nightly charge for the rental of a room. All Operators classified as a "hotel" pursuant to SB 312 which are located in the County Surcharge District shall impose a \$2.00 per night Surcharge on the per nightly charge for the rental of a room.

The Surcharge must not be applied for any time during which the room is provided to a guest free of charge and applies only to the per night charge for occupied rooms, except as otherwise set forth in Section 9.3. However, if a guest pays any taxable revenue fee associated with the room (i.e. resort fee, upgrade, extra cleaning, etc.), that guest is now subject to the per day Surcharge and the room is no longer considered complimentary. Hotels will report these rooms on Line H of

the tax return. Additionally, the Surcharge would apply any time the Operator receives funds for the rental of the room (i.e. guaranteed no-shows, rewards redemption compensation, etc.). The surcharge also applies to any Timeshare (classified as a hotel as stated above) where the guest pays any type of taxable revenue as outlined in 3.3 below (i.e. extra cleaning, additional nights, etc., and as stated in Section 8.1.1).

The Surcharge is not a tax; therefore, the Surcharge applies to government exempt and 28-day exempt guests.

- 3.2. Notice To Guest.** Each Operator shall prominently display in each room or suite, or in a lobby at or near the immediate vicinity of the registration desk for the Transient Lodging facility, a sign that discloses the existence and rate of the applicable Transient Lodging Tax and Surcharge.

Operators shall not separate Gross Receipts into separate components. Examples of non-taxable items include, and, unless expanded by the RSCVA Finance Committee through prospective amendment of this Regulation, taxable Gross Receipts shall be limited the following:

3.3.1. Player Points. Player points that can be redeemed for cash have a cash value assigned. If those points are redeemed for coupons, vouchers, "bucks" or any form of Consideration other than cash, including electronic transfer, that are then used to pay for all or any portion of Transient Lodging and related charges, fees and rooms included in Package programs, such payments are subject to Transient Lodging Tax and Surcharge. Non-cash value Player Points issued in the form of complimentary coupons, vouchers or electronic transfer, and used as full or partial payment on a hotel folio are considered comps and are not subject to Transient Lodging Tax.

3.3.2. Advance Deposits, Forfeited Deposits, No Show Charges. In the event the Transient Guest does not occupy the room and the deposit is returned, no taxable event has occurred. However, if the deposit is non-refundable, and the Transient Guest does not occupy the room, the deposit becomes taxable revenue subject to the appropriate tax rate and Surcharge at the time the Operator records the deposit as revenue.

3.3.3. Other Deposits And Charges. For those Operators who collect security, damage, pet cleaning, or key deposits from guests, those deposits which are not returned shall be subject to Transient Lodging Tax, unless those deposits are retained for specific exceptional damages to a rental room/unit during a guest's particular stay. The Operator must retain detailed documentation specific for those rooms in the form of third party invoices or other internal documentation for work performed, purchases of materials, proving that the unreturned deposit has been used for specific repairs to bring the room/unit back to its same condition at the time of rental. Records should indicate unavailability status of those rooms specific to the damages as stated above. This will not affect guests who have met the 28-day and 10-day exemption requirements as outlined in Sections 6.1. through 6.3.

3.3.4. Cancellation Fees, Attrition Fees. Contracted sales group cancellation and attrition fees paid to the Transient Lodging facility for hotel rooms are not taxable. All fees charged to individual guests for cancellation of a room reservation shall be considered as gross revenue and subject to Transient Lodging Tax and Surcharge.

3.3.5. Meeting Rooms. Meeting rooms used as sleeping rooms/units are subject to Transient Lodging Tax and Surcharge.

3.3.6. Promotional Award Programs. In the case of reward, incentive, and redemption programs whereby the Operator is reimbursed from its corporate office and/or a third party source by a

reduction of their monthly franchise fee or other means of compensation, such rooms are paid for in some way. Therefore, the value received for redeemed rooms is subject to Transient Lodging Tax and Surcharge.

3.3.7. Complimentary Rooms. No Transient Lodging Tax or Surcharge shall be imposed upon Complimentary Rooms.

3.4. Separation Of Tax and Surcharge From Room Charge. The amount of the Transient Lodging Tax and Surcharge shall be displayed separately from the price of the accommodation of room/unit on the guest registration card and the folio or receipt, unless included in a Package (see Section 7). Otherwise, tax will be computed on all amounts collected and the Surcharge will be applied.

3.5. The Operator Owes The Tax and Surcharge. The Transient Lodging Tax and Surcharge imposed may be collected from the paying guest and may be shown as an addition to the charge for the rental of transient lodging. The Operator providing the Transient Lodging is liable to the county/city for the tax whether or not it is actually collected from the guest. (NRS 244.3352(3) and NRS 268.096(3))

3.6. Collection From Transient Guest. Current laws and Regulations allow the Licensee to collect the required percentage of Transient Lodging Tax and Surcharge from the Transient Guest. However, Nevada Revised Statutes (NRS) 244A.647 specifically state:

“All taxes levied by a city, town or county for use in connection with NRS 244A.597 to 244A.655 inclusive and collected by any motel, hotel or gaming establishment are public moneys from the moment of their collection and shall be held in trust by the establishment collecting such taxes for the use and benefit of the city, town or county levying such taxes or for the use of the county fair and recreation board where such revenues have been assigned or appropriated to the county fair and recreation board.”

The RSCVA operates as the fair and recreation board within Washoe County. Failure to remit taxes and Surcharges collected and held in trust can be a criminal act.

In the event the Operator should fail to collect sufficient Transient Lodging Taxes and Surcharges from the Transient Guest, the balance due to the RSCVA is the responsibility of the Operator. Should an excess of Transient Lodging Tax and Surcharge be collected and not returned to the guest, such tax and Surcharge must be remitted to the RSCVA.

3.7. Taxpayer Assistance. The RSCVA Room Tax Department may answer general questions regarding policies, procedures, rules and Regulations relating to Transient Lodging Taxes and Surcharges. Operators seeking specific advice as to their Transient lodging tax return or whether specific transactions are exempt from Transient Lodging Tax should consult their own legal and/or accounting professional. RSCVA personnel are prohibited from preparing Operator Transient Lodging Tax Returns. Operators or other individuals requiring assistance may contact the RSCVA Room Tax Department at (775) 827-7743. RSCVA will respond in writing to all inquiries received in writing on an individual basis. RSCVA staff will also make every effort when applicable to notify Operators of major rulings on topics of interest.

3.8. Collection Allowances. Nevada legislation prohibits a collection allowance on a 1% county-wide room tax that became effective July 1, 1991. Except for that 1%, a Transient Lodging facility shall be eligible to retain a collection allowance equal to 2% of the tax owed if the following criteria are met:

- a. The Transient Lodging facility has 100 or less rooms/units or has gross revenue not exceeding \$500,000 per fiscal year (July 1 – June 30). This will be determined by prior year information submitted on Transient lodging tax returns to the RSCVA.
- b. The Transient Lodging facility does not have on-premises gaming either as an integral part of the operation or supplied through a lease agreement or other second party. Gaming shall be defined as any table games, slot machines, video poker, video keno, or similar gaming devices.
- c. The Transient Lodging facility cannot be a Transient Lodging facility or recreational vehicle park that is an integral part of a hotel/casino or other predominantly gaming oriented business, i.e. the facility must be a stand-alone operation and not part of one operated by another business that is predominantly gaming oriented such as a hotel/casino.
- d. The Transient Lodging facility cannot be operated in such a manner as to be, from all appearances, a part of a hotel/casino. If the property advertises itself and/or operates as a part of the casino operation or is used exclusively by a single casino, the Transient Lodging facility shall not be eligible to take a collection allowance, regardless of separate ownership.
- e. The return on which the collection allowance is claimed must be filed on or before the due date. No collection allowance will be permitted on delinquent tax returns, incomplete tax returns, estimated tax returns, tax returns with any discrepancies, or delinquent audit assessments.
- f. Any Transient Lodging facility claiming a collection allowance must be in good standing with the RSCVA.
 - (1) No collection allowance may be claimed by any property that has outstanding Transient Lodging Tax delinquencies, including any unpaid penalties or interest from prior delinquencies, assessments, or audits.
 - (2) Permanent loss of the collection allowance will result from any delinquent filings of returns.
- g. Properties Licensed and/or constructed after July 1, 2005 are not eligible for the 2% collection allowance. Any property sold where the controlling interest or 51% of ownership has transferred to a new owner, unless the owner(s) is/are of direct family relations, will no longer be eligible for the 2% collection allowance.

No collection allowances are permitted for the collection of the Surcharge.

4.0. TRANSIENT LODGING TAX RETURNS

- 4.1. Due Date.** All taxes and Surcharges are due and payable on the first day of the month following the reporting period. Taxes and Surcharges are delinquent after the 15th day of the month following the reporting period. Delinquent returns are subject to the penalties discussed in Section 5. Returns will be considered delinquent after the next regular business day if the 15th falls on a Saturday, Sunday or federal holiday.

Transient lodging tax returns for properties classified as “Homeowner Rental” (see Section 11.1), will be due and payable quarterly for reporting periods ending March, June, September, and December.

For returns filed by mail, the postmark affixed by the U.S. Postal Service will be used in determining timeliness. This means that, unless the 15th is on a Saturday, Sunday or federal holiday, all returns bearing a U.S. Postal Service postmark of the 16th or later are delinquent. Dates affixed to envelopes by private postage meters will not take precedence over U.S. Postal Service postmarks. OPERATORS MUST OBTAIN A TIME-STAMPED RECEIPT FOR ALL TRANSIENT LODGING TAX

FILINGS AND/OR PAYMENTS MADE IN PERSON AT THE RSCVA ROOM TAX OFFICE OR OBTAIN PROOF OF MAILING FROM THE U.S. POSTAL SERVICE FOR MAILED RETURNS TO PROVE TIMELY FILING SHOULD QUESTIONS ARISE.

It is the responsibility of the Licensee to ensure timely hand-delivery or mailing of a correctly filed and signed copy of the return (even if no amount is due) in order to avoid any penalties.

4.1.1. Electronic Filing.

Please refer to the "Impact" section of our website at www.rscva.com for instructions on registering for on-line electronic filing.

Due dates for electronic filings are the same as outlined above.

ACH Payments. For electronic filings with ACH payments (automated payment request through your bank) – you must print your accepted payment request with your receipt reference number and keep for your records in order to prove timely filing should questions arise.

The Operator is responsible for making sure that the return is timely and properly submitted as follows:

1. After entering the data for the return, the "Review Fees" button must be selected.
2. At the bottom of the next page the green arrow must be clicked and the "I want to pay the tax due now" option should be selected.
3. The "Select this submittal option" needs to be clicked.
4. The "Continue" button needs to be clicked.
5. The "Process Payment Request" needs to be clicked.
6. A "Receipt Reference Number" will be provided – the user should print the receipt for proof of timely filing.
7. The return status will turn to "ACH Payment Request Pending" when submission process is completed properly.
8. The next business day the return status should update to "Completed" status.
9. ACH submittals not honored by the bank will be subject to penalties as outlined in RSCVA Regulation 5.1.

Electronic Filing And Payment By Check. For returns filed electronically and payment is hand-delivered or mailed in: include a copy of the electronically-generated receipt with the payment. Payment must be postmarked by the due date. The timeliness of the filing is the same as outlined above.

4.2. Who Must File A Return. All Operators shall file a Transient lodging tax return even if no tax is owed. No exceptions or waivers exist to this filing requirement. Operators not filing a return will be subject to penalties discussed in Section 5.

4.3. Transient Lodging Tax Returns. Transient lodging tax returns are provided by the RSCVA. The returns are generally mailed by the last day of each reporting period to the mailing address provided on the Transient Lodging Tax License application. Emails are generally sent by the last day of the reporting period to all electronic filers at the email address provided to the RSCVA upon registration notifying them that their returns are now available on-line. Failure to receive a Transient lodging tax return does not excuse responsibility for timely filing or payment of Transient Lodging Taxes. Blank returns are available from the RSCVA Room Tax Department or the "Impact" section of our website at www.rscva.com.

- 4.4. Occupancy Section Of The Transient Lodging Tax Return.** The occupancy section of the Transient lodging tax return shall be completed with as much care as the remainder of the return. Statistics on occupancy are a major factor in decisions made by businesses as well as by the RSCVA. If the occupancy section of the return is not completed, the return will be considered improperly filed and will be returned to the Operator for correction, and may be subject to penalties and assessments as defined in Section 5.
- 4.5. Revenue Section Of The Transient Lodging Tax Return.** The revenue section of the Transient lodging tax return shall be completed with as much care as the remainder of the return. If the revenue section of the return is not completed, the return will be considered improperly filed and will be returned to the Operator for correction, and may be subject to penalties and assessments as defined in Section 5.
- 4.5.1. Adjustments.** Adjustments entered on line 2 of the Transient lodging tax return shall have adequate documentation retained for audit purposes (see Section 10). An explanation shall also be provided with the Transient Lodging Tax Return.
- 4.5.2. Refunds.** Refunds entered on line 4 of the Transient lodging tax return shall have adequate documentation retained for audit purposes (see Section 10).
- 4.5.3. Complimentaries.** Complimentaries entered on line 5 of the Transient lodging tax return must conform to “Complimentary Rooms” as defined in Section 1.6.
- a. Complimentaries specifically relating to contract sales groups must be clearly detailed in the contract.
 - b. Complimentary adjustments to group master accounts for room revenue must not exceed actual room charges posted to the master account.
- 4.5.4. Over 28-Day.** Over 28-day rentals entered on line 6 of the Transient lodging tax return must conform to the exemptions as defined in Sections 6.1. through 6.3.
- 4.5.5. Government Exemptions.** Government exempt rentals entered on line 7 of the Transient lodging tax return must conform to governmental exemptions as defined in section 6.4.
- 4.6. Unsigned Transient Lodging Tax Returns.** If the Transient lodging tax return is not signed, the return will be considered improperly filed and will be returned to the Operator for signature, and may be subject to penalties and assessments as defined in Section 5.

5.0. PENALTIES AND ASSESSMENTS FOR INCORRECT TRANSIENT LODGING TAX RETURNS AND/OR DELINQUENT OR MISSED PAYMENTS

5.1. Penalties And Interest. All returns received after the due date (see Section 4.1.) shall be considered delinquent and assessed a penalty of the greater of \$100.00 or 10% of the taxes and/or Surcharges due. Delinquent tax, Surcharge, and penalties not paid with the following reporting period's return will be subject to interest at 1-1/2% per month. For a return to be considered timely, the return shall be paid in full when filed and checks or ACH funds must be honored by the bank when presented for payment.

5.2. Errors. Transient lodging tax returns submitted with errors shall be assessed a penalty of the greater of \$100.00 or 10% of the underpayment of taxes and Surcharges due. Error assessments shall not be subject to appeal.

5.3. Lien(s) Placed Upon Property Of Delinquent Operators. A lien may be placed on the business property of any Operator who is delinquent. The lien shall not be removed until the account is brought current and the Operator has paid all administrative and other costs associated with the lien.

5.4. Habitual Delinquencies. Any Operator who is delinquent in payment of Transient Lodging Taxes and/or Surcharges for more than sixty (60) days, or who has been delinquent on two (2) or more occasions in a twelve (12) consecutive month period, may be declared a habitual delinquent and be subject to the following penalties:

- a. **Posting A Bond:** The RSCVA may require an Operator to post a bond as guarantee for future payments. The amount of the bond shall be based upon six (6) months actual or estimated Transient Lodging Tax and Surcharge; however, the Tax Administrator may adjust this amount if it is determined a greater or lesser amount is appropriate to the circumstances. A cash bond will normally be required in all cases involving amounts of less than \$10,000. In amounts of \$10,000 or greater, the Tax Administrator may allow the Operator to substitute an insurance bond provided it is through an Agency Licensed to do business in Nevada, the Agency has an office in Washoe County and there is no cost to the RSCVA. All bonds, regardless of type, shall be delivered to the Tax Administrator within ten

(10) days of the requirement being imposed. Any bond imposed under this provision shall remain in effect until the Operator has completed one full year (12 consecutive months) without a Transient Lodging Tax delinquency.

- b. **License Revocation And Closures:** Failure to file Transient lodging tax returns and remit payment of any taxes and Surcharges owed within sixty (60) days of the time required for payment shall subject the Operator's Transient Lodging Tax License and or business license to revocation and/or suspension by the RSCVA, and suspension of the city or county business license by the appropriate county or municipal Agency pursuant to SB 315, NRS 244.335 or NRS 268.095, and closure of the Operator's business pursuant to NRS 244A.645.1(a). If such an event occurs, the RSCVA shall conduct a public Show Cause Hearing in accordance with the rules contained in Section 12 of these Regulations.

5.5. Appeal Of Penalty On Late Or Missing Returns. The RSCVA does not permit appeal of penalties and interest for delinquent or missing Transient lodging tax returns. The only exception to this policy is when the U.S. Postal Service will accept specific responsibility for the delinquency of non-electronically filed Transient lodging tax returns. In these cases, it is the responsibility of the Operator to provide written documentation from the Postal Service to the RSCVA Room Tax Department within thirty (30) days of the date on the notification of the delinquency. The Postal Service documentation must be on U.S. Postal Service letterhead and signed by the Postmaster; the documentation must clearly state that the U.S. Postal Service accepts specific responsibility for the untimely delivery of the return in question. U.S. Postal Service letters vaguely explaining possible ways mail may be mishandled will not be accepted for penalty abatement. Failure of a national or local courier to timely deliver a Transient lodging tax return will not be accepted for penalty abatement.

5.6. Assessment Of Deficiency.

5.6.1. Failure To File. If an Operator fails to file a Transient lodging tax return or the Tax Administrator is not satisfied with the Transient lodging tax return(s), the Tax Administrator may compute and determine the amount of Transient Lodging Tax and Surcharge required to be filed and paid by the Operator upon the basis of:

- a. The facts contained in the return;
- b. Any information within its possession or that may come into its possession;
- c. Reasonable estimates of the amount.

5.6.2. Multiple Deficiencies. The Tax Administrator may compute one or more deficiency determinations with respect to the amount due for one or more periods.

5.6.3. Determination Amount. In making its determination of the amount required to be paid, the RSCVA shall impose penalties and interest on the amount of taxes and Surcharges determined to be due at the rate and in the manner set forth in these Regulations, unless a different rate is specifically provided by statute.

5.7. Notice Of Determination. The RSCVA shall give an Operator written notice of its determination when a determination has been made. The notice may be served personally or by certified mail. If served by certified mail, the notice shall be addressed to the Operator's address as it appears in the records of the RSCVA. If notice is served by certified mail, service is complete at the time of deposit with the United States Postal Service. If notice is served in person, service is complete at the time signed for by an adult person employed at the place of business of the Operator.

5.8. Limitation On Deficiency Period; Time For Provision Of Notice Of Determination.

- a. Every notice of the determination of a deficiency assessment issued by the RSCVA shall be personally served or mailed within five (5) years from the close of the accounting year to which the Transient lodging tax returns relate or within four (4) years after the return is filed, whichever period expires later.
- b. In the case of fraud, intentional evasion, or failure to make a return, or a claim for an additional amount, every notice of determination shall be mailed or personally served within nine (9) years from the end of calendar year following the period for which the amount is proposed to be determined.
- c. Every Operator shall keep all records, receipts, invoices, and other pertinent documents as listed and described in Required Records (Section 10.3) for a period of not less than four (4) years from the close of the accounting year to which the Transient lodging tax returns relate.

5.9. Due Dates For Deficiency Assessments. All Transient Lodging Taxes and Surcharges due and payable, as specified in a deficiency determination by the Tax Administrator, shall be paid within thirty (30) days after the service of the notice of the determination unless a petition for re-determination is filed within that period. If the amount of the deficiency determination is not paid within the thirty (30) days after receipt of notice and an appeal is not filed, the deficiency determination becomes final and any penalty for delinquency and interest provided for in these Regulations or otherwise permitted by law attaches to the amount of the determination.

6.0. EXEMPTIONS FROM TRANSIENT LODGING TAX

6.1. There is hereby exempted from the Transient Lodging Tax fixed and imposed each rental by any Operator of a room or rooms for a period of 28 consecutive days or more. Except as otherwise provided herein, no rental shall be deemed to have been made for a period of 28 days or more unless the room or rooms rented to the Occupant are paid for at least such a period in advance, and continuously occupied by the Occupant for the entire period of 28 days without any termination of the tenancy or any portion of the advance rental refunded to the Occupant.

6.2. An Operator is entitled to an exemption for any Occupant who is a natural person, that signs a contract, lease, or other written rental agreement to stay at that Transient Lodging facility for a period of at least 28 days. This exemption may be used at the Operator's discretion. If the Occupant does not honor the contract, lease or other written rental agreement and leaves before staying at least 28 days, the Operator will owe the Transient Lodging Tax for the period the room was occupied.

6.3. An Operator classified by the recreation board as a 28-day rental (property that derives at least one-third of its annual gross income from 28-day rentals exempt under this section), is entitled to an exemption for any Occupant who is a natural person and a Nevada resident, that signs an affidavit of permanent residency in a form prescribed by Regulation by the recreation board documenting that the room is the Occupant's permanent residence and that the Occupant intends to reside at the Transient Lodging facility for a period of at least 10 days. Photo proof of residency must be provided by the Occupant that shows such Occupant is a Nevada resident (Nevada Driver's License or Nevada Identification Card). No rental shall be deemed to have been made for a period of 10 days or more unless the room or rooms rented to the Occupant are continuously occupied by the Occupant for the entire period of 10 days without any termination of the tenancy. This exemption may be used at the Operator's discretion. If the Occupant leaves before staying at least 10 days, the Operator will owe the Transient Lodging Tax for the period the room was occupied.

6.4. Unless otherwise expressly exempted by these Regulations or other applicable law, the foregoing exceptions are from the Transient Lodging Tax only, and the applicable Surcharge would apply to all Operators that meet the definition of Hotel as defined in SB 312.

RSCVA WILL MAKE REASONABLE ATTEMPTS TO NOTIFY OPERATORS OF ANY CHANGES; HOWEVER, IT IS THE RESPONSIBILITY OF THE OPERATOR TO KEEP INFORMED OF ANY CHANGES TO THESE REGULATIONS AS THEY OCCUR. UNLESS OTHERWISE EXPRESSLY EXEMPTED BY THESE REGULATIONS OR OTHER APPLICABLE LAW, THE FOLLOWING EXCEPTIONS ARE FROM THE TRANSIENT LODGING TAX ONLY, AND THE APPLICABLE SURCHARGE WOULD APPLY TO ALL OPERATORS THAT MEET THE DEFINITION OF HOTEL AS DEFINED IN SB 312.

6.4.1. State Of Nevada And Local Exemptions. The State of Nevada, local school districts, and local governments are exempt from Transient Lodging Tax. Exemption is granted only when the rental is made directly by the State of Nevada, local school districts, or local governments, with the Transient Lodging facility. Purchasing cards normally used by local governments, local school districts, or the State of Nevada, that begin with 5405 or 5567 are acceptable methods of payment. Documentation to support the tax exemption must be maintained by the Operator. Exemption does not apply to individual employees contracting for rentals in connection with travel on behalf of the state or local government.

6.4.2. Federal Government Exemptions. The federal government exemption applies only when the rental is made directly with the federal governmental Agency. The direct rental should be evidenced by a contract, purchase order or similar document signed by the renting Agency, and payment must be made by such governmental Agency in the form of a check or wire transfer drawn on the U.S. Treasury or that governmental Agency or centrally-billed government credit card. Individual rentals to federal employees, regardless of the purpose, are not tax exempt, even if paid for with a government credit card.

6.4.3. Payment By Government Credit Card (SmartPay Card). The RSCVA recognizes Transient Lodging Tax exemptions on those credit card purchases that are billed directly to the United States government from the approved list from General Services Administration (see www.gsa.gov website). Lodging purchases made with approved United States government travel credit cards are exempt.

The RSCVA will provide an updated and current list of exempt travel credit card numbers upon request. The RSCVA will also make an updated and current list available on its website.

Centrally Billed: Centrally billed credit card purchases, which are billed directly to and paid by the federal government, are exempt from Transient Lodging Tax. Centrally billed credit cards utilize the account numbers listed above.

Individually Billed: Individually billed credit card purchases, which are billed directly to and paid by the federal employee, are not exempt from Transient Lodging Tax as stated from the General Services Administration (see www.gsa.gov website). Purchases made with individually billed credit cards are not exempt regardless of whether the employee has a federal exemption certificate, travel orders, or is subsequently reimbursed by the United States government.

Purchases made with any type of credit card other than centrally billed, are not exempt from Transient Lodging Tax.

6.4.4. Diplomatic Exemptions. A tax on Transient Lodging must not be imposed upon rent paid by foreign diplomats properly registered with the U.S. Department of State and who present a tax exemption card specifically stating the diplomat is exempt from Transient Lodging Tax.

- 6.4.5. Federal Credit Union Exemptions.** No tax will apply if a federal employee or official is traveling on federal credit union business and payment for lodging is made directly by the federal credit union by direct billing or use of a credit card in the name of the federal credit union. Individual rentals to federal credit union employees, regardless of the purpose, are not tax exempt, even if paid for with a federal credit union credit card.
- 6.5. Other Not-For-Profit Organizations.** Charitable and not-for-profit organizations are not exempt from Transient Lodging Tax.
- 6.6. Apartment Rentals (Monthly).** Apartment Rentals rented and paid for on a monthly basis are exempt from Transient Lodging Tax. However, revenue received for apartments rented less than one full month shall be subject to Transient Lodging Tax. "Apartment Rentals" shall be determined by the Tax Administrator.
- 6.7. All Exemptions and Adjustments Must Have Adequate Documentation.** All documents that support exempt revenues (including complimentary, government, 28-day, or any other reduction of revenue) and room adjustments must be retained. Failure to provide adequate documentation supporting revenues claimed as exempt and/or adjustments will result in disallowance of the claimed exemption and/or adjustment.
- 6.8. Uncollected Rental Fees.** Adjustment to Gross Receipts shall be permitted as a prior period adjustment on the Transient lodging tax return if an Operator is unable to collect all or part of the rental fee charged for a transient room rental. Documentation shall be maintained to justify the deduction from room revenue. No deduction from room revenue will be allowed for amounts written off without proof of collection efforts. If all or part of the amount adjusted is later collected, that amount shall be added to Gross Receipts in the reporting period collected.
- 6.8.1. Bad Debt Adjustments.** Due diligence must be made in attempting to collect any receivable prior to bad debt write-off. All documents verifying collection efforts must be retained as proof for audit purposes (see Section 10). If the Operator is able to collect all or part of any bad debt previously adjusted, that amount must be added to gross revenue in the reporting period collected. Bad debt adjustments must be aged at least 180 days prior to being adjusted. Bad debt shall not include any portion of Transient Lodging Tax or Surcharge. An explanation must be attached to the Transient lodging tax return where adjustments are made on Line 2.
- 6.9. Limitations On Claims For Refund Or Credit.** A refund or credit shall not be allowed unless a claim therefor is filed with the board within 2 years from the last date that the overpayment was made. Every claim shall be in writing and shall state the specific grounds upon which the claim is founded. (NRS 244A.649(2))

7.0. PACKAGE PROGRAMS

- 7.1. Transient Lodging Tax and Surcharge on Rooms Included in Packages.** Where a room is sold as a component of a Package, the Gross Receipts allocated to the room and subject to Transient Lodging Tax shall be computed according to the following formula:

$$\text{Taxable Gross Receipts From Room Component} = [(S-C)/(R-C)] * L$$

For purposes of this formula:

- S = Package sales price;
- C = Nonprofit costs (see Sec. 7.4.);

R = Retail value of all items in the Package;
 L = Net retail sales price of the room.

The retail value of the room must be prorated against the retail value of all the components of the Package in accordance with the formula. Any value advertised to the public as the retail value of a component of a Package is rebuttably presumed to constitute the actual retail value of that component. If no average retail value can be established for a component of a Package, the cost of the component to the taxpayer must be used. Nothing in this subsection prohibits a taxpayer from paying Transient Lodging Tax on the full retail value of the room sold as a component of the Package. All rooms sold as a component of a Package that are subject to the payment of Transient Lodging Tax are subject to the collection of the Surcharge.

7.2 Illustrative Examples. The following examples are provided for illustrative purposes:

Assumed Facts: 500 patrons paid \$300 each to enter. Total prizes awarded equal \$100,000, which equals an actual average prize payout of \$200 per entrant. The Package includes one room night (retail value of \$150) and food (retail value of \$100).

7.3. Package Record Retention. Details, including but not limited to Package cost, retail value of Package components (excluding applicable taxes), copies of brochures, advertising, invitations, etc., shall be retained to support returns on which Package revenue is reported.

7.4. Definition of Nonprofit Costs. For purposes of Section 7 (Package Programs), “Nonprofit Costs” shall mean actual amounts paid to third parties for goods or services unrelated to the occupancy of a room (see Sec. 3.3.), and shall include without limitation the following expenses paid by an Operator to a third party:

- Golf green fees
- Ski lift tickets
- Entertainment tickets – third party producer or off-property
- Transportation expenses – outsourced
- Actual average prize payout per entrant on gaming tournaments
- And such other expenses approved by the Tax Administrator in writing.

Deductions for third party costs must be supported by documentation proving payment to the vendor such as contracts, invoices, etc., proof must be retained and made available for audit purposes. Third party deductions from the value of the Package must not exceed the amount paid to the vendor. For example: if green fees of \$75.00 are paid to the golf course, the Operator may not deduct green fees of \$150.00 from the value of the Package.

7.5. Transient Lodging Tax On Packages Not Including Rooms. Packages which do not include Transient Lodging are not subject to Transient Lodging Tax or Surcharge. Where rooms are offered separately from Packages, the provisions of Section 7 shall not apply and normal methods for calculating applicable Transient Lodging Tax and Surcharge shall control.

8.0 TIMESHARES

8.1. Transient Lodging Tax On Rentals Of Timeshares To Transient Guests.

8.1.1. Transient Lodging Tax shall apply to all Gross Receipts received by an Operator from the occupancy of a timeshare unit by Transient Guests who are not owners of time-shares, the non-paying guests of such owners or exchange users. Examples of methods by which such transient rental occupancy may be booked and taxed, include, but are not limited to the following:

- a. Walk-Ins – rentals to the general public.

- b. Reservations for rentals made through third party internet companies (Hotels.com, Expedia.com, Orbitz.com, Priceline.com, etc.), including any fees associated with such rentals.
- c. Reservations for rentals made through exchange companies (Interval International, RCI, etc.).
- d. Reservations for rentals made directly with the time-share project.
- e. Promotional rentals to prospective time-share purchasers, commonly known as "mini-vacs".

8.2. Transient Lodging Tax On Occupancy Of Time-Share Units By Owners Or Exchange Users.

8.2.1. Transient lodging tax shall not apply to the occupancy of any unit within a time-share project by (a) persons occupying pursuant to a timeshare exchange program or (b) an owner of a time-share, or the non-paying guests of such owner, who has the right to use or occupy a unit pursuant to a time-share instrument, except as set forth in Section 8.2.4 below. For the purposes of this Section 8.2.1., the phrase "non-paying guests of such owner" and for the purposes of Section 25.1501 of the Washoe County Code, Section 2.10.200 (C) (7) of the Reno Municipal Code and Section 3.04.020 P of the Sparks Municipal Code, the phrase "the non-paying guests of an owner" shall include persons occupying a unit within a time-share project pursuant to a time-share exchange program.

8.2.2. Exchange fees paid to an Exchange Company associated with the exchange of occupancy rights among time-share owners participating in a time-share exchange program are not subject to Transient Lodging Tax.

8.2.3. Exchange fees are not subject to Transient Lodging Tax except in instances where the Operator, other than an Exchange Company, receives said fees or any portion thereof.

8.2.4. Transient lodging tax shall apply to all Gross Receipts received by an Operator in connection with the use of a time-share unit by a time-share owner or exchange user, including but not limited to, Gross Receipts received by an Operator for the following:

- a. Bonus Time – rent charged to use the time-share unit separate and distinct from the use of the unit pursuant to a time-share instrument or time-share exchange program.
- b. Housekeeping/Cleaning Fees – fees charged for housekeeping and cleaning services above and beyond the regular fees associated with the occupancy during the regular interval use period.

- e. Split Week Fees - additional fees charged to occupy a unit for periods of time other than the established interval use period.
- f. Maintenance Fees – fees assessed pursuant to a time-share instrument, except those which are an obligation of each time-share owner payable whether or not the timeshare owner uses or exchanges his time-share during the use year.

8.3. Transient Lodging Tax On Occupancy Of Developer's Un-Sold Or Un-Used Timeshare Intervals.

- 8.3.1.** Transient lodging tax shall not apply to the occupancy of a developer's un-sold or un-used timeshare interval when the unit has been provided on a completely complimentary basis by the developer.
- 8.3.2.** Transient lodging tax shall apply to the rental of a developer's un-sold or un-used unit and all other fees associated with the rental of the unit.

In the above examples, it does not matter that the establishment does or does not charge the guest at the time of check in. The Operator owes the tax whether or not it is actually collected from the guest.

9.0. CONTRACTS AND INTERNET

- 9.1. Contracted Room/Unit Rates.** All Gross Receipts resulting from the rental of a room/unit through discounted internet/wholesale contracts are subject to Transient Lodging Tax. In addition, the per night charge for occupied rentals of a room/unit through discounted internet/wholesale contracts are subject to the collection of the Surcharge. Any Operator contracting rooms/units must pay Transient Lodging Tax charge on the room/unit amount as well as any charges related to the room/unit rental included in the contract.
- 9.2. Internet Room Rentals.** Rooms/units sold by third party companies over the internet are subject to RSCVA Transient Lodging Tax Regulations. Transient lodging tax is due on the total paid by the guest, and the per night charge for occupied rentals sold over the internet is subject to the collection of the Surcharge. Internet companies are responsible for remitting Transient Lodging Tax on the difference between the selling price of the room rate paid by the guest and the contracted room rate paid to the Operator. In addition, handling fees, commissions, booking fees, etc., are taxable components of the total paid by the guest; therefore, tax is due to the RSCVA for these components.
- 9.3. Surcharge on Unoccupied Rooms.** Notwithstanding anything contained herein to the contrary, Surcharge is due and payable on unoccupied rooms if: (i) a prepaid room is booked directly with the subject hotel and the subject reservation is a no-show or is otherwise cancelled beyond the refund deadline such that the hotel is entitled to and does retain the prepayment; or (ii) each of the three following requirements are satisfied: (a) the subject hotel accepts prepayment for the subject room through a third party provider; (b) the subject reservation is a no-show or is otherwise cancelled beyond the refund deadline such that the hotel is entitled to and does retain the prepayment; and (c) the Surcharge is a separate line item charge collected as part of the prepayment by the third party provider. In the instance of a prepaid room booked directly with a hotel for multiple nights, the hotel is only required to pre-collect and remit the Surcharge for the number of nights equal to the number of nights for which a no show or cancellation will be penalized, per each property's internal policies. By way of example, if a hotel accepts a direct, prepaid reservation for seven (7) nights, and will impose a cancellation or no-show penalty equal to the cost of two (2) nights, the hotel is only required to pre-collect and remit two (2) nights of Surcharge in the event of a no-show or cancellation of the subject reservation beyond the refund deadline.

10.0. AUDIT OF OPERATOR'S TRANSIENT LODGING TAX RECORDS AND ASSESSMENT OF DEFICIENCY

- 10.1. Authority Of The RSCVA To Audit Records Of Operators.** The Tax Administrator or his authorized representative is authorized to inspect and audit the Operator's books and records, and take such actions as considered necessary to investigate the accuracy of the Operator's payment

of Transient Lodging Taxes and Surcharges, or if no return is filed by the Operator, to ascertain and determine the amount required to be paid. Property audits and frequency of audits will be determined at the discretion of the Tax Administrator.

10.2. Length Of Audits. Audits will cover a three (3) year period, except as follows: If the Operator fails to secure and maintain the proper Licenses, does not file tax returns as required, and/or the auditor has reason to believe that fraudulent or material misstatements, or other items as determined by the Tax Administrator have been made, the audit may cover a period of up to eight (8) years.

10.3. Required Records. Each Operator is required to maintain daily records which support amounts reported on the Operator's Transient lodging tax returns. Records shall include, but may not be limited to, the following minimum information:

- a. Total rooms available and occupied.
- b. Receipts, guest folios, registration detail, including the name of the property, name of the guest, number of guests occupying the room, room number, date paid, dates of occupancy, and a breakdown of what was paid for by the guest with Transient Lodging Tax stated separately.
- c. Total daily Gross Receipts.
- d. A detailed listing of claimed nontaxable/exempt room revenue that includes name of guest, room number, dates and amounts paid, and date(s) of occupancy.
- e. Total amount of Transient Lodging Tax and Surcharge collected.
- f. Number of non-revenue or Complimentary Rooms.
- g. Number of rooms included in Package or promotional offerings and the room rate charged for all Package/promotional details.
- h. Folio and other documentation for all exemptions and adjustments to revenue.
- i. Records supporting Complimentary Rooms revenue.
- j. All documentation used to complete the Operator's Transient lodging tax return and retained as backup to the return.

Acceptable methods of maintaining the above list include bound receipt books, guest folios, registration cards, daily transaction reports, general ledgers, computerized records, and any other books and records deemed necessary to complete the Transient Lodging Tax audit. In addition, Operators shall provide documents that can be used to support revenues and exemptions. Failure to provide adequate documentation supporting Transient lodging tax returns may result in penalties and assessments as outlined in Section 5. All information provided during the course of an audit, including tax returns, audit records, etc., will be kept confidential by the RSCVA.

10.4. Retention Of Records. Every Operator shall keep all financial records, receipts, invoices, and other pertinent documents as listed and described in Required Records (see Section 10.3.) for a period of not less than four (4) years from the close of the accounting year to which the returns relate. Notwithstanding the foregoing, any Operator who fails to obtain a Transient Lodging Tax License from the RSCVA or fails to secure and maintain an appropriate business license issued by either the City of Reno, City of Sparks or Washoe County will be required to maintain and provide records for not less than eight (8) years.

10.5. Availability Of Records. Upon written notification of a Transient Lodging Tax audit, the Operator shall provide all records supporting Transient lodging tax returns filed with the RSCVA. These records shall be available to the RSCVA Room Tax Auditors at the property location or the offices of the RSCVA within ten (10) business days unless other arrangements are made with the Room Tax Department. On occasion, the RSCVA may require specific records be provided on demand.

If the Transient Lodging Tax audit is conducted at the property, the Operator shall provide reasonable accommodations for the RSCVA Room Tax Auditors.

Auditors will make copies or request that the property make copies, of original records to be retained as part of the audit work papers which substantiate the audit findings. Records may also be provided electronically either through e-mail, cd, or flash drive.

Failure to retain or refusal to furnish such records as described in this section shall not affect the Tax Administrator's authority to assess a deficiency for such periods. The Tax Administrator may utilize and apply available data to those periods in which records are unavailable.

10.6. Failure To Cooperate With A Transient Lodging Tax Audit. Section 12 provides procedures for the revocation of the License of any Operator who fails to cooperate in the conduct of a Transient Lodging Tax audit. The RSCVA conducts the Transient Lodging Tax audit at no expense to the Operator. However, the Operator may be subject to fees and additional costs in some cases.

10.7. Assessments Or Credits Resulting From A Transient Lodging Tax Audit.

10.7.1. Notice Of Audit Determination. Following the completion of a Transient Lodging Tax audit, the Operator will be advised in writing of the audit findings. The notice may be served personally, by certified mail, and/or e-mail. If served by certified mail, the notice shall be addressed to the Operator's address as it appears in the records of the RSCVA. If notice is served by certified mail, service is complete at the time of deposit with the United States Postal Service. If notice is served in person, service is complete at the time signed for by an adult person employed at the place of business of the Operator. If notice is served by e-mail, service is complete at the time the document is electronically sent provided the RSCVA is able to verify receipt of the e-mail by Operator.

10.7.2. Time Limitations. If an assessment for underpayment or nonpayment of Transient Lodging Tax or Surcharge is made, the Operator has thirty (30) days in which to make payment and/or file a written appeal of the findings. If payment and/or written appeal of the assessment is not received within thirty (30) days, the RSCVA shall place a lien against the property and a Show Cause Hearing requesting revocation of the Operator's Transient Lodging Tax License and/or business license will be scheduled.

Should a credit for overpayment be due, the credit will be refunded within thirty (30) days.

If reasonably possible, the RSCVA will provide an Operator with a written response to any written appeal within thirty (30) days after it receives the appeal. When lengthy research is required that prohibits responding in thirty (30) days, the Operator will be advised.

10.7.3. Payment Of Assessment. Payment within thirty (30) days stops the accrual of interest, and does not affect the Operator's right to appeal. If not paid, interest will continue to accrue throughout the appeal process until paid.

10.8. Appeals.

10.8.1. Appeal: Time For Filing.

- a. Any Operator, against whom a deficiency determination is made and who believes the determination is incorrect, must file a written appeal for re-determination with Tax Administrator within thirty (30) days after the Operator is served with notice of

determination.

- b. If an appeal is not filed within the thirty (30) day period, the Operator is deemed to have waived the right to contest the determination.
- c. At the discretion of the Tax Administrator, the time within which an appeal for re-determination must be filed may be extended.

10.8.2. Appeal Requirements And Accompanying Materials. A request for re-determination of a Transient Lodging Tax audit shall:

- a. Set forth in writing the amount of the determination being contested and the legal grounds for seeking a re-determination; and
- b. Be accompanied by the specific records and other evidence, which support the appeal.

10.8.3. Re-Determination: Change In Determined Amount. If a request is made by the Operator for re-determination of a Transient Lodging Tax audit assessment, the results of the re-determination may be more or less than the original determination. The RSCVA may change the amount of the determination at any time before it becomes final at the request of the Licensee or upon discovery of error(s) in the assessment.

10.8.4. Re-Determination: Final Opinion Of Tax Administrator; Appeal To Finance Committee; Final Decision Of Finance Committee.

- a. The opinion issued by the Tax Administrator upon an appeal for re-determination becomes final thirty (30) days after service upon the Operator, unless an appeal of the opinion is filed within that time with the Finance Committee of the RSCVA.
- b. On appeal, the Operator shall be notified as to the date of an appeal hearing before the RSCVA Finance Committee. The decision of the Finance Committee of an appeal becomes final after service upon the Operator of its written order. At the discretion of the RSCVA Finance Committee, the appeal may be determined by the full RSCVA Board of Directors. RSCVA staff will make every attempt to schedule appeal hearings within sixty (60) days depending on the calendar of the RSCVA Board of Directors.

10.8.5. Re-Determination: Credit Or Refund. If a determination imposed by the RSCVA is reduced on re-determination or appeal, the Tax Administrator shall credit or refund any amount of taxes or Surcharges, penalties and interest (RSCVA uses as a guideline, NRS 360.2937) that have been paid or collected which exceeds the amount owed.

10.9. Limitation On Deficiency Period; Time For Provision Of Notice Of Determination.

- a. Every notice of the determination of a deficiency assessment issued by the RSCVA shall be personally served or mailed within five (5) years from the close of the accounting year to which the Transient lodging tax returns relate or within four (4) years after the return is filed, whichever period expires later.
- b. In the case of fraud, intentional evasion, or failure to make a return, or a claim for an additional amount, every notice of determination shall be mailed or personally served within nine (9) years from the end of calendar year following the period for which the amount is proposed to be determined.
- c. Every Operator shall keep all records, receipts, invoices, and other pertinent documents as listed and described in Required Records (see Section 10.3.) for a period of not less than four (4) years from the close of the accounting year to

which the Transient lodging tax returns relate.

11.1. Properties Are Grouped By Classification By The RSCVA. For reporting of Transient Lodging Tax collection and occupancy statistics, properties are classified as follows:

- a. Hotel: Property may offer a full range of services, including a restaurant and/or gaming. The building is occupied or intended to be occupied for compensation, as the temporary residence for Transient Guests, primarily persons who have residence elsewhere. - b. Motel: Property rents predominantly on a daily basis typically having rooms adjacent to an outside parking, and which does not meet the definition of a Hotel.

12. RULES OF THE PROCEDURE OF THE RSCVA FOR PROCEEDINGS ON THE REVOCATION OF TRANSIENT LODGING TAX LICENSES AND/OR SUSPENSION OF BUSINESS LICENSE (SHOW CAUSE HEARINGS)

12.1. Statement Of Need And Reasonableness. The RSCVA, having found that delinquencies in, and failure to remit Transient Lodging Tax payments and/or Surcharges by Operators, failure of Operators to provide requested documents to support a Transient Lodging Tax audit, and failure to pay undisputed assessments resulting from such audits have resulted in reduced revenues, therefore establishes the following rules and procedures for the revocation of Transient Lodging Tax Licenses and/or suspension of business license.

12.2. Criteria For The Institution Of A Show Cause Hearing For The Revocation Of A Property's Transient Lodging Tax License and/or Suspension of Business License Are:

- a. The Operator is delinquent more than sixty (60) days, or
- b. The Operator has been delinquent on two or more occasions during the preceding twelve (12) calendar months and is delinquent for the current reporting period, or
- c. The Operator fails to provide requested documents to support a Transient Lodging Tax audit, or
- d. The Operator fails to pay an undisputed assessment resulting from an audit within thirty (30) days following the close of the audit, or
- e. Any other condition exists which, in the opinion of the Tax Administrator warrants such action.

12.2.1. Initial Notice Of Deficiency. Any Operator meeting one or more of the criteria set forth in Section 12.2. will be notified by the Tax Administrator of the deficiency and advised that a motion for a show cause hearing will be made requesting that the Operator show cause why its License should not be revoked, unless the deficiency is corrected within thirty (30) days of the service of

such notice.

- d. Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

- a. No Agency member who acts as an investigator or prosecutor in any contested case may take part in the adjudication of such case.
- b. In the event that an Agency member is disqualified as an Adjudicator under the provisions of Subsection 1, the Agency shall designate another Agency member to serve as one of the Adjudicators.

12.3.3. Evidence. In Contested Cases:

- a. Irrelevant, immaterial or unduly repetitious evidence shall be excluded. Evidence may be admitted, except where precluded by statute, if it is of a type commonly relied upon by reasonable and prudent individuals in the conduct of their affairs. The Agency shall give effect to the rules of privilege recognized by law. Objections to evidentiary offers may be made and shall be noted in the record.

Subject to these requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be received in written form.
